24<sup>th</sup> February 2020

Dear Sir

**The Town and Country Planning (Environmental Impact Assessment)  
(Scotland) Regulations 2017  
EIA Screening Request for the Proposed Development of Rail Station Platforms,  
Waiting Shelters, Car Parking, Footbridge and Lifts with Associated Access,  
Servicing and Landscaping at Land to the South of Reston Main Street, Reston**

Further to our recent discussions in relation to the above, please find enclosed request for the local planning authority's screening opinion for the above proposed development.

The attached screening report sets out a description of the proposals, the works that require planning consent and the screening assessment for the proposal within the context of Schedule 3 of the Regulations

We look forward to receiving your screening opinion in due course. Please do not hesitate to contact me should you have any questions or wish to discuss.

Yours faithfully
